From Deve's Desk ~

Over the next few weeks, we are going to be entering into a new learning series in the Gospel of Luke 6:17-49. There are those who may be familiar with the Sermon on the Mount, the recorded words of Jesus in Matthew 5, 6 and 7. Luke captures the Sermon on the Plain...similar teaching in a more condensed message. With these words, Jesus lays out what living according to His kingdom principles looks like. He outlines a way of living, that can only be possible by thinking more deeply about how our actions impact others. Each week during this series, you'll be invited to participate with others, deepening and developing your own relationship with God. Together we'll share what we're learning about God, and how we're being challenged to take a new step in faith-filled direction. Participate with us as we "Dig Deeper", discovering ancient truth that informs our current contexts.

In May we will receive 200 new chairs for the sanctuary. As mentioned at our Annual Meeting, this purchase is above our regular budget. As such, we welcome donations toward the total cost of approximately \$23000. Donations can be designated "chairs" or "building fund" through your regular donation channels. All donations and donors will remain anonymous and be valued toward the goal of better serving our church family and community.

During the month of May, any funds donated through our benevolence will be directed towards the CAS (Children's Aid Society), assisting students exiting foster care.
